

WELCOME !

Dinosaurs are extinct, the Flintstones have retired – here come the STONE AGE TEENIES! Originating from the granite of the Grisonian mountains emerge rock solid song creations, which not only make the rocks roll, but also our campfires shine brightly.

Our CD/Album «Seasons» (2023) is available through established online distribution channels including [CeDe](#). You can listen to the album on [Mx3](#) and with lyrics on [Bandcamp](#).
